We hope to have your
valuable participation

Wednesday 22nd, Thursday
23rd and Friday 24th of
November of 2023 in
Barcelona, Spain.

Themes:

The thematic axes of this edition seek to raise awareness in favor of sponsoring a technical- scientific revolution in the perspective of a bioinspired ecological civilization, through a holistic and inclusive science, aimed at implementing an economy and knowledge society in harmony with Nature. These are the central themes:

Biomimetic Philosophy and Rights of Nature

Bio-inspired disruptive cutting-edge sciences and technologies

Bioinspired business entrepreneurship

Human health and neurosciences in harmony with nature

Bioinspired agriculture

Textiles bioinspirados

Bioinspired Arts and Nature

Bioinspired student research

Mixed Theme

Organizing Committee:

**CARMEN
SAN FRANCISCO**

Biomimetic Science Institute (BSI)

**HERNANDO
BERNAL ZAMUDIO**
